Packages while the cost of additions to the hospital equipments of the improvements are two "cars" on either ends of the two "cars" on either two "cars" on e By W. H. Gocher. vinced the public spirited citizens that an agricultural and industrial fair would do the farming interests of Mississippi and Alabama a world of good, not only by introducing new ideas. but also by showing the people all of the labor saving devices connected with work on the farm. The Meridian fair, or as it was

named the Mississippi and Alabama Exposition, was a success from the start while hundreds of its patrons, who had been plodding along year af-ter year with "before the war" methwent home convinced that the time had come for them to adopt modern equipment on the plantation or farm patch. They also saw that Liberty theaters have been erected or farm patch. They also saw that their work bank balances would be benefited, by improving the number and quality of their cattle and hogs, and at the same time display the figttering tassels of corn in the cotton country. At this period the Hon. James Wilson, who was for twenty years Secretary of the Department of Agriculture, was pushing the corn club idea in the south. Striplin, taking advantage of this propoganda, made it a point to emphasise the fact that the time had come for the southern farmer to grow something that he could eat as well as wear, and at the same time have something that he could sell for cash at any time even if three was a

as well as wear, and at the same time have something that he could sell for cash at any time even if three was a bad crop of cotton or a glut in the market.

Striplin continued his work at Merideian until 1914, when the live wires back of the spirit of Atlanta decided that the gate city of the south should have a fair that was up to the standard of the new south described by Henry Grady. Everyone dropped into i with the movement from the saw the city grow from the village saw the city grow from the saw the city grow from the village saw the city grow from the countries in materials.

Striplin continued has weak the bureau handled 1639 visitors supplies and materials.

"In my annual report," says Rear Admiral Samuel McGowan, "manual seports," says Rear Admiral Samuel McGowan, "manual severial says Rear Admiral Samuel McGowan, "manual severials says Rear Admiral Samuel McGowan, "manual reports," says Rear Admiral S New York, July 18.—Call money strong; high 6; low 6; ruling rate 6; closing bid 5 1-2; offered at 6; last Striplin continued his work at Meridian until 1914, when the live wires back of the spirit of Atlanta decided that the gate city of the south should have a fair that was up to the standard of the new south described by Henry Grady. Everyone dropped into IV with the movement from the saw the city grow from the village of Marthaville which Ivy founded in 1836, and also raise from the selecting structure of the desolation and destruction of war. can legitimately sell in order to biscontinue the buying back of papers at either wholesale or retail eling price from dealers or agents, or order to secure preferential repre-

sentation. Discontinue the payment of salaries of commissions to agents, dealers, or newsboys for the purpose of securing the equivalent of return privileges. Discontinue all 'free exchanges.

Southern farm boy-club members produced in 1917 food and feed valued at \$4,019 121, the Department of Agriculture reports. A total of 115.746 boys were enrolled in regular clubs in 14 States.

Student Nurses Enter Camp Schools, Three hundred applicants for student nurses to enter training schools in the base hospitals at cantonments were accepted recently. There have been more than a thousand applicants

been more than a thousand applicants for entrance to these Army schools of nursing since the Government sent out its call for student nurses.

The majority of those offering their services have been college women, or women with a complete high-school education. The training units will be assigned, it is expected, during the present month Each unit will number 25 or 39 student nurses and will be supervised by an accredited and he supervised by an accredited and competent nursing instructor and by trained woman, who will be respontble for the physical welfare and rec-

Department of Agriculture special-ists appealing for increased production of positry and eggs, make these sug-gestions: Keep better Fullry; se-lect healthy vigorous breeders; hatch early; preserve eggs; cull the flocks; grew as much poultry feed as possi-ons; surely the family table; est more ole; supply the family table; eat more coultry and eggs and conserve the reat supply.

The division on women's war work of the Committee in Public Informa-ion announces that the trustees of Pratt Institute, Brooklyn, N. Y. offer to wives and daughters of Army officers three scholarships, including tuition and laboratory fees, for 1918-19 covering household science, household arts, and preparation for institutional

Crack Navy Gunner Stops Submarine.

The fourth shot from nanned by a Navy armed guard on an American merchant ship struck the conning tower of a German sub-marine, which attacked the ship May 12 last at 1,000 yards distance. The submarine was compelled to submerge after having launched four torpedoes, two of which missed the steam-er's bow by about 12 feet. Chief Gunner's Mate Harry R. Chambers commanding the armed guard, was commended by Secretary Daniels for efficient conduct.

The Medical Department, United The Medical Department, Chical States Army, needs women as reconstruction aids. The work of reconstruction aids is divided into two sections. (1) those women who are well trained in massage and the other forms of physiotherapy, and (2) those who of physiotherapy, and (2) those who will be and reads." of physiotherapy, and (2) those who are trained in simple handcrafts." Foreign service pay is \$60, home servce pay \$50 per month and quarters
